

## ◆ U6 Activities for Week 8 ◆

**Coaches,**

Here is the practice plan for week 8. We would like to focus on **some Dribbling Aspects**. The games are looking better and better by the week.

Can we get our players to try and dribble away from pressure so they do not bump into the person in front of them?

Another words,..... turning and cutting the ball just in front of a defender.

**Week 8,.....**

Staff Session – 15 min

The Other Tag Game – 6 min

Alien-n-Space Rangers – 9 min

Monster – 8 min

Scrimmage – 22 min U6 (Give them info on when to dribble and when it's better to pass). (Continue going over the triangle shape)
